

# OR Business Management Conference

FEBRUARY 6-8, 2024

RENAISSANCE GLENDALE  
HOTEL AND SPA

PHOENIX, ARIZONA

## Share your Expertise

### Presentation proposals are now being accepted

The 2024 OR Business Management Conference Program Committee is actively seeking industry experts from all-sized health facilities to speak at next years event. Do you have a case study to share or first-hand experience in managing the profitability of your OR? We want to hear from you!

The objective of the OR Business Management Conference is to provide business managers, OR managers, nurse and medical directors, financial managers and administrators with tools to manage ORs and maximize profitably and efficiencies.

We are seeking abstracts armed with take-home tools to help facilities drive revenue, streamline processes, reduce expenses and increase productivity. Submit your abstract today!

#### Here are some topic ideas that draw interest:

- Where are we now with staffing and travelers?
- Legislative/regulatory trends – what lies ahead?
- How do you bridge the gap between OR clinical leaders working with finance and revenue cycle leaders?
- What are the clinical to business pathways for new OR Business Managers?
- What trends are analysts predicting for healthcare technology investment?
- Charge master – is it accurate and updated regularly?
- What are the fundamentals for a good contract and who should be signing them?
- New construction and rebuilds – what are the lessons learned?
- Where are we now with patient safety and quality post-pandemic?
- How do you make the case for OR Business Manager training?

**Submission Deadline:**  
**April 21, 2023**

Have another idea that is pertinent to business managers in today's healthcare environment? **Share it with us!**
